### **This Guide provides information around renting in the Private sector**

! If you cannot secure accommodation before you arrive here you need to have temporary accommodation sorted. Airbnbs are cheaper than hotels, you also need to think about the extra cost and duration of temporary stay. Get a few weeks booked in temporary accommodation especially if you have viewings booked as it takes a while to find a property. The University is not able to secure temporary accommodation for you. They are also unable to help you find accommodation in private sector. !

## **Renting in the Private Sector**

Private rented accommodation is usually:

- A self-contained flat or house
- A shared flat or house with other tenants
- [Houses in Multiple Occupation](#) (HMOs)
- A room in your landlord's house or flat

**All private landlords in the city must be registered with Dundee City Council. All registered landlords will be able to produce a registration number. (don't be afraid to ask for the number prior to any payment!)**

You can check the Letting Agents Register here:

<https://register.lettingagentregistration.gov.scot/searchtype>

For more information on renting in the Private Sector go to: <https://dundeecity.gov.uk/service-area/neighbourhood-services/housing-and-construction/housing-options-in-dundee/renting-in-the-private-sector>

Check the Registration number HERE: Private Landlord Registration | Dundee City Council

<https://www.dundeecity.gov.uk/service-area/neighbourhood-services/community-safety-and-protection/private-landlord-registration>

**Never trust a landlord who will ask you for a deposit:**

- Before you view the property
- Who says it is URGENT that you pay the deposit immediately
- Asks for the deposit in vouchers

Please read further: <https://homelet.co.uk/tenants/blog/article/rental-property-scams%E2%80%93how-to-avoid-them> Rental property scams – how to avoid them

If you fell victim to a scam you need to inform the Police, however it is unlikely you would be able to get the money back. If you let the University and DUSA know, we may search for any alternative means of support.

## **Guarantor Information**

DUSA cannot act as a guarantor, however the following organisations can provide a paid guarantor service:

**PLEASE REMEMBER THAT THESE ARE PAID FOR SERVICES AND YOU WILL NEED TO MEET THE CRITERIA**

- Housing Hand - [www.housinghand.co.uk](http://www.housinghand.co.uk)
- Rent Guarantor - [www.rentguarantor.com](http://www.rentguarantor.com)
- Guarantid - [www.guarantid.com](http://www.guarantid.com)

If you are unable to provide a guarantor and you are not eligible for a Guarantor Scheme it is worth asking if you can pay in advance. Some letting agents will accept payment in advance instead of a guarantor. The standard is 2,3 or 6 months in advance (you need to be financially prepared) plus a deposit (usually between a month to a month and a half rent)

↑this link will lead you to information about

- Who can be a guarantor
- Options if you can't get a guarantor
- Money you don't have to pay back

## **Deposits:**

You are required to pay a deposit when you rent in a private sector. Please read the information provided so you know why you are paying a deposit and how to claim it back  
Useful information about deposits: <https://www.mygov.scot/tenancy-deposits-tenants#:~:text=Once%20you%27ve%20paid%20the%20deposit%20for%20the%20property%2C,Letting%20Protection%20Service%20Scotland%20SafeDeposits%20Scotland%20my%7Cdeposits%20Scotland>

If your deposit has not been secured by any deposit scheme or you have not paid any deposit:

The landlord not taking a deposit does not mean they cannot pursue the costs they believe their client owes

The lack of any clause in your agreement about the condition of the property may weaken the landlord's argument, though it is commonly accepted that tenants will leave their tenancy in a reasonable condition.

Landlords cannot claim for general wear and tear or repairing issues, unless they can prove the tenant is at fault.

Photos of the condition of the property when you move in and when you move out, will be beneficial as evidence.

When tenants and landlords dispute who is liable for costs at the end of a tenancy and they cannot agree, the tenant cannot be forced to pay the landlord unless the landlord pursues the costs through either the First Tier Tribunal or Simple Procedure

The tenant and landlord can come to their own agreement without using formal procedures if they prefer, but any agreement should be made in writing to avoid future disputes.

There are no costs for either party when using the Tribunal and no requirement to instruct a professional. If the landlord uses Simple Procedure, there will be a fee and the successful side may be entitled to ask for a proportion of expenses to be included in the claim, however only if the claim is over the value of £300.

## **Types of Tenancy**

There are different types of tenancy agreements in Scotland. Remember that your tenancy agreement is a legal document which you cannot change randomly without valid reasons. It is good to know the terms and conditions of your tenancy agreement prior to signing the contract which will be legally binding!

## **Transport**

- [Monifieth, Carnoustie, Forfar, Arbroath, Montrose](#)
- [Coupar Angus](#)

There are good travel links in and out of the city, and the main bus service providers are Stagecoach and Xplore. Discounted weekly passes are available. Find out more below:

- <https://www.stagecoachbus.com/regionaltickets/east-scotland/dundee/unirider>
- <https://www.xploredundee.com/Students>

Led by The Scottish Government, young people in Scotland aged under 22 years old are entitled to free bus travel.

To access the scheme you must apply for a new National Entitlement Card (NEC) card.

Those aged between 5-15 must have a parent, guardian, or carer apply for a new NEC card on their behalf. Those aged between 16-21 should apply themselves.

It's important that you apply for your new NEC Card in order to access the travel scheme, as old Young Scot Cards will not be accepted, and you will be required to pay your fare as normal.

Apply here: <https://getournec.scot/nec/>

Students can also get up to 50% off train journeys with ScotRail. Details on this can be found here: <https://www.scotrail.co.uk/studentoffer>

## **How far from the University can you stay?**

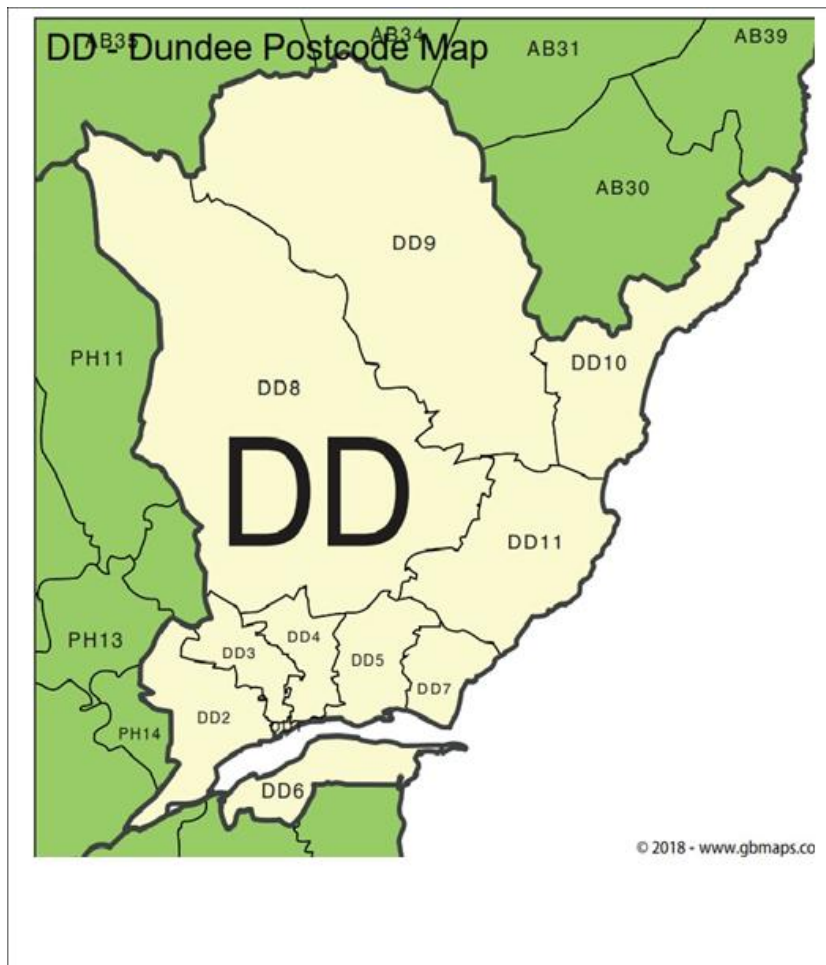

To meet Home Office expectations those studying with us on a Student visa are expected to live within the Dundee area during all study periods at a maximum of 90 minutes commute to campus. We recommend living in the city of Dundee itself for the best student experience but Glasgow, Edinburgh, and Aberdeen are all acceptable if you are willing to make the

commute. Please note that living out with Dundee is never an acceptable excuse for absence or lateness, it is your responsibility to meet your Student visa attendance requirements
