WHAT WE CAN OFFER

Partnership with The Liar unlocks deals for your members on hot, soft, and alcoholic drinks:

- 20% off draught (inc. soft and alcoholic drinks)
- 20% off house spirits
- 10% off hot drinks

These deals are applicable Mon-Fri after 4pm only.

This makes The Liar an extra great place to host your society events, like...

- Meetings or study groups with discounted tea, coffee and hot chocolate
- Quizzes, karaoke nights, and performances
- Pres before you head to the club, with cheaper soft and alcoholic drinks.

WHAT WE CAN OFFER

Hosting an event at The Liar to take advantage of your partnership offers?

We can also offer you exclusive cocktails, custom-made for your event. Just give us a vibe, or a colour scheme, and let us do the work!

Sound good? Great! Let's get you on board...

HOW IT WORKS

- Email societies@dusa.co.uk from your society email address requesting Liar Partnership.
- After receiving approval from the Societies Officer, they will prepare society sponsorship cards for your committee. These can be collected from The Liar. You will receive an email when these are ready.
- Members can order their own cards through myDUSA by completing the 'Liar Sponsorship Card' form. Cards will be available to collect from The Liar. They will receive an email when these are ready.
- To claim your discount, show both your Sponsorship Card and another form of ID when purchasing your drink(s). This can be your student card for non-alcoholic drinks, or another form of valid photo ID for alcoholic drinks.

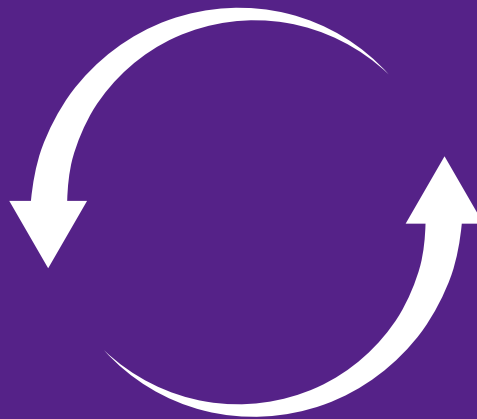

And that's it! You now have in your hands your delicious, discounted drink. Cheers!

WHY PARTNER WITH THE LIAR?

Hopefully the deals have already enticed you. But why else become partnered with The Liar?

DUSA has a circular economy. This means that all of the money that comes into DUSA is reinvested right back in. By choosing us for your events, socials, meetings, and partnership, you directly support your students' union - in turn allowing us to support your student experience in bigger and better ways. Your students' association: powered by you.

We have flexible spaces that can be used for loads of different purposes. Whether you want to host your society committee meetings, a post-event drinks reception, a quiz, or just a good old-fashioned society social, we're here to deliver!

Got your own ideas of what you'd like to see in partnership with us? We're all ears - just get in touch with the Societies Officer.

TERMS AND CONDITIONS

Drinks discounts are only available Monday-Friday from 4pm onwards.

Discounts can only be given upon presentation of both the Sponsorship Card and photo ID so your identity can be verified.

To partner with The Liar as a society, you must be affiliated to DUSA. Disaffiliation from DUSA voids the partnership agreement.

Partnered societies are expected to host a minimum of one event per semester in a DUSA venue.

Discounts are not available during events such as St. Patrick's Day, Graduation Ball, or events organised by external operators.

We operate a Challenge 25 policy, so please ensure you have valid photo ID when purchasing alcoholic drinks.
